Arla® Lactofree

Arla Lactofree UHT Milk Full Cream 3,5%

EAN

5711953009938

Material number

88568 10x1 l

Description

Arla® LactoFREE UHT Full Cream 3,5% is a lactose-free milk for those who are lactose intolerant or for those who want to live a lactose-free life. Arla® LactoFREE is filtered, and then the enzyme lactase is added, which breaks down the natural content of milk sugar. This way you can enjoy the natural, fresh taste of milk - even if you cannot tolerate lactose. The milk is also UHT treated which means it makes the milk long-lasting by eradicating spoilage bacteria. This also means that the milk does not need to be refrigerated at 5 degrees, as fresh milk must.

Storage information

Temperature Min: 0 °C. Temperature Max: 25 °C
