Description

With its wide complexity of flavour, this extra mature cheddar cheese will pleasantly surprise you. First you will notice the crunch, as salty crystals pop on your tongue. Then the punch, as tangy aromas storm your taste buds. Utterly satisfying, as you'd expect from a Gold Medal Winner at the 2015 British Cheese Awards. Castello Extra Mature Cheddar is great as an indulgent snack on its own but is a sharp companion to other cheeses as part of a cheese board.
