Description

Arla LactoFREE - UK's no.1 dairy free from brand. At Arla LactoFREE we believe that food should be made from food - this is why we only use lactose free milk that is made from all natural ingredients. Arla LactoFREE Mature Cheddar has a delicious creamy texture that is great for melting and used across hot and cold applications such as toasties or in sandwiches. Around 8% of the UK population is estimated to be Lactose Intolerant, but many more cite having 'digestive discomfort' after consuming dairy. Offering dietary choices on your menu will help to broaden your customer base and boost revenue. Suitable for vegetarians and Farmer Owned.
