Description

Arla Pro; made specifically for professional chefs & operators in mind. Arla Pro Mozzarella Large Diced is delicious pre-cut cubes made from high-quality mozzarella ideal for easy application. The dice are creamy light yellow in colour and offer fresh flavour and optimal meltability. Once cooked it resembles softer mozzarella formats such as buffalo, burrata and fior di latte perfect for creating an artisanal look. Arla Pro Large Diced Mozzarella's low moisture content allows the pizza to be cooked more evenly, giving a crispy base and a golden crust. Ready to use straight from the fridge, making preparation quick and easy. The slower melting 10mm x 10mm cut size is perfect for operators who use super-hot pizza ovens. Long shelf life on production. Farmer Owned and suitable for vegetarians.
