Description

Arla Pro; made specifically for professional chefs & operators in mind. Arla Pro Pizza Topping Sticks have been developed as a cost effective alternative to Mozzarella to help improve your profit margins. A thicker cut offers excellent melting, golden browning and high stretch, making this the ideal solution for both dining-in and delivery. We've replaced the dairy fat with vegetable fat with no compromise on taste, texture or performance. Crafted for perfection, these pizza topping sticks ensure a deliciously melted and golden finish. Long shelf life on production. Farmer Owned and suitable for vegetarians.
