Description

Arla Pro; made specifically with professional operators in mind. Arla Pro Slower Melt Soft Ice Mix is perfect for usage in a soft ice machine. Developed to melt slowly, with a delicious delicate vanilla flavour. The mix holds its shape for up to 20 minutes, giving stability to your toppings and retaining quality if out for delivery. Exceptional overrun in both gravity fed and pump machines ensuring great yield and cost in use. Larger pack size for reduced operator fill time and packaging reduction. Contains no palm oil, suitable for vegetarians and farmer owned.
