Description

Arla Pro; made specifically with professional chefs & operators in mind. Arla Pro Small Diced Mozzarella is a fresh creamy mozzarella in a convenient small diced format (4 x 4mm) ideal for easy application. The dice are a light yellow colour with a mild taste that brings out the flavours of other ingredients. When melted, the cheese offers great consistency and stretch with an appealing visual appearance. This solution is ready to use straight from the fridge, making preparation quick and easy. Ideal for both delivery and dining-in. The smaller cut size means a quicker melt time than Arla Pro Mozzarella Block and Large Diced Mozzarella, making it an ideal partner for operators with conveyor or deck ovens. Long shelf life on production. Farmer Owned and suitable for vegetarians.
