Description

Cravendale is Britain's biggest milk brand and here at Cravendale we finely filter our milk for purity - so it's delicious and fresher for longer. 100% British semi skimmed milk filtered for freshness. We use ceramic filters to remove more of the bacteria that turn milk sour. All of this keeps Cravendale wonderfully pure and fresh for twice as long as standard fresh milk without additional heat treatment. 250ml convenient pack format. Ideal for accommodation, education, contract catering, "on the go" or part of a meal deal. Suitable for vegetarians, Farmer Owned and Red Tractor certified.
