Description

Cravendale is Britain's biggest milk brand and here at Cravendale we finely filter our milk for purity - so it's delicious and fresher for longer. 100% British semi skimmed milk filtered for freshness. We use ceramic filters to remove more of the bacteria that turns milk sour which means it stays fresher for up to 3 weeks unopened & 7 days when opened. Cravendale Semi Skimmed Milk guarantees a consistent quality, great for frothing and creating a stable foam in cappuccinos and lattes - fantastic for baristas. Suitable for vegetarians and freezing. Farmer Owned and Red Tractor certified.
