Description

Cravendale is Britain's biggest milk brand and here at Cravendale we finely filter our milk for purity - so it's delicious and fresher for longer. 100% British whole milk filtered for freshness. We use ceramic filters to remove more of the bacteria that turns milk sour which means it stays fresher for up to 3 weeks unopened & 7 days when opened. Perfect for baristas, Cravendale whole milk guarantees a consistent quality, ideal for frothing and creating a dense foam in cappuccinos and lattes - with a creamy mouthfeel. Ideal for latte art due to the creamy and smooth texture. Cravendale Whole milk will add creamy richness to dishes across both sweet and savoury applications such as soups, sauces and custard. Suitable for vegetarians and freezing. Farmer Owned and Red Tractor certified.
